VERA NESBITT AND J. H. COOKE ARE WED TODAY

Ceremony Performed at 9 O'clock This Morning by Dr. Arrick; Will Reside on Farm.

Aledo, March 7.—James H. Cooke and Miss Vera Louise Nesbitt, popular Aledo couple, were quietly married at 9 o'clock this morning at the First Presbyterian manse. Miss Wilma Anderson and Everett Baldwin attended the couple. The single ring ceremony was performed by Dr. A. Judson Arrick. The bride wore a tailored suit of blue tulle and a blouse of orange georgette crepe. Her hat was of gray satin, with orange trimmings. She wore a corsage bouquet of sweet peas. Miss Anderson wore a gown of henna silk knit crepe with overdrapes of paisley. Mrs. Cooke is the daughter of Mr. and Mrs. Clark Nesbitt of East Fourth street. She attended the Aledo public schools and graduated from the high school. For the last few years she has been a teacher in the Mercer schools. Mr. Cooke is the son of Mr. and Mrs. John D. Cooke of this city. He attended the Aledo schools and the university at Ames, Iowa.

The young couple will start housekeeping immediately and will be at home to their many friends on a farm four miles south of Aledo.

FARMER SUFFERS BROKEN LEG WHEN KICKED BY HORSE

(Special to The Argus.) Aledo, March 7.—John Lund, a farmer residing one mile east of this city, is suffering with a broken leg. The accident occurred Saturday morning when Mr. Lund endeavored to walk behind a horse in his barn. The animal refused to stand still and kicked back. The left leg was broken at the knee joint. Dr. H. L. Walker of this city set the fractured bones.

Famous Old Recipe for Cough Syrup

Easily and cheaply made at home, but it beats them all for quick results.

Thousands of housewives have found that they can save two-thirds of the money usually spent for cough preparations, by using this well-known old recipe for making cough syrup. It is simple and cheap but it has no equal for prompt results. It takes right hold of a cough and gives immediate relief, usually stopping an ordinary cough in 24 hours or less.

Get 2½ ounces of pure glycerine from any druggist, pour it into a pint bottle, and add plain granulated sugar syrup to make a full pint. If you prefer, use clarified molasses, honey, or corn syrup, instead of sugar syrup. Either way, it tastes good, keeps perfectly, and lasts a family a long time.

It's truly astonishing how quickly it acts, penetrating through every air passage of the throat and lungs—loosens and raises the phlegm, soothes and heals the membrane, and gradually but surely the annoying throat tickle and dreaded cough disappear entirely. Nothing better for bronchitis, spasmodic croup, hoarseness or bronchial asthma.

Pinex is a special and highly concentrated compound of pine oil, a Norway pine extract known the world over for its healing effect on membranes. Avoid disappointment by asking your druggist for Pinex, the name of Pinex with full directions and don't accept anything else. Guaranteed to give absolute relief or your money promptly refunded. The Pinex Co., Ft. Wayne, Ind.

Aledo Briefs

The regular March session of the Mercer county board of supervisors opened this afternoon at 1 o'clock at the court house.

P. S. Richey, advisor of the Mercer county farm bureau, is attending today in Galesburg in attendance at a meeting of farm bureau officials. A discussion on the handling of hog cholera serum by farm bureau agencies was scheduled to take place.

A meeting of the directors of the Mercer county farm bureau is called for tomorrow at the Aledo office. A Chicago man will be present and speak in the interests of the I. A. A. The work of reorganizing the bureau which occurs every three years, will be started at this meeting.

Arrangements have been made for the showing of an educational film in various localities in the county as a benefit to farmers. The film deals with control of round worms in hogs and will be shown under the auspices of the farm bureau. The schedule of the shows for each evening follows: Tonight, North Henderson; Thursday, Burgess; Saturday, Keithsburg; next Tuesday, New Windsor; Thursday, Preemption; Friday, Eliza.

ALEDO INSURANCE MAN IS PROMOTED

(Special to The Argus.) Aledo, March 7.—Lynn S. Broadus, district manager of the Northwestern Insurance company of Mercer county, has been given additional territory of Knox county and will move his office from Aledo to Galesburg as soon as he can find living accommodations in that city. Mr. Broadus has been here but a short time but his record in this county has been so commendable that he was given the larger field to work in. Although the office was moved to Galesburg, Mr. Broadus will keep in close touch with his Aledo and Mercer county patrons by frequent trips here.

TAKE VIOLA MAN ON INSANE CHARGE

(Special to The Argus.) Aledo, March 7.—Sheriff John P. Fleming was called to Viola last night where he took into custody Edward Brammer on the charge of insanity. The case is set for today in county court. Brammer is 29 years old and for the past several years has been located in various Iowa towns. For the past few days he has been staying with relatives in Viola. It is alleged that he is a dope addict.

POND RISES, NOW ROAD IS FLOODED

(Special Correspondence.) Matherville, March 7.—The pond that is on the property of Eldred McCoslin has risen so much that the road leading into town is impassable. The outlet for the water, which goes under the Rock Island Southern tracks is clogged up. The railroad crews have tried several times to open the outlet, but without success.

ALL DAY MEETING FARM BUREAU HELD

(Special Correspondence.) Bowling, March 7.—P. R. Edgerton, county farm advisor, gave a talk on the subject, "Farm Management," at a recent all day meeting of the Bowling unit of the farm bureau, held at the Pleasant Ridge church. Mr. Whiteside of Moline gave a talk on "Good Roads," explaining the \$1,000,000 bond issue, and Miss Lucille Allen, home advisor, explained the home bureau work. A basket dinner was enjoyed at noon.

GIRLS! LEMONS WHITEN ROUGH CHAPPED HANDS

Squeeze the juice of two lemons into a bottle containing the ounces of Orchard White, which any drug store will supply for a few cents, shake well, and you have a quarter-pint of harmless and delightful lemon-bleach lotion to soften and whiten red, rough or chapped hands. This home-made lemon lotion is far superior to glycerine and rose water to smoothen the skin. Famous stage beauties use it to bleach and bring that soft, clear, rosy-white complexion, because it doesn't irritate. (Advertisement)

DISCUSS MILK ORDINANCE AT COUNCIL MEET

Second Attempt to Pass Pure Milk Ordinance Meets With Disfavor of Aldermen.

(Special to The Argus.) Aledo, March 7.—A pure milk ordinance was introduced last night at the meeting of the city council of this city for the second time and again failed to gain the approval of the assembly. The ordinance states that all milk, cream and ice cream sold in the city must come from cows that have successfully passed the tuberculin test. This also held true for the products that are shipped in from a distance or that they be pasteurized. This clause was thought to be a trifle shady and as it is about time for a visit of the government pure food inspector here the council present decided it would be a good plan to get his advice on the subject before passing the ordinance.

An ordinance was passed at the session last night adopting a plan of the fifth addition of the Aledo cemetery. The ordinance was introduced by Alderman Parkman and met with unanimous approval. The customary bills were read by Alderman Winders and allowed. Other issues were discussed at the meeting but nothing definite was decided upon.

ALEDO FISHING FANS AWAITING GOLDEN CHANCE

(Special to The Argus.) Aledo, March 7.—With the ice practically out of the Mississippi river at New Boston, Aledo hook and line fans are anxiously watching the signs that will tell them the time is ripe to feed the fish. Several have stated that at the present time there is only one thing at fault, the bait, which can only be procured now with the use of a steam shovel. Many, however, do not agree on this, as they are the followers of artificial bait and minnows.

An advance guard motored to New Boston several weeks ago to kindle look the prospects over. They had no intentions of trying their luck, but merely took their fishing apparatus along as force of habit. Bob LeMaster is loud in his praise of Joe Cabern's new fish wagon. Each day Joe may be seen upon the streets exercising his new wagon, rounding it in shape for the coming season's work. Coca Cola fans who enter the LeMaster palace of sweets are complaining and growing rather doubtful of the magnanimous fishing exploits that Bob is always narrating.

Charles McChesney, famed for his ability to pull ducks from the sky, stated today that he would not shoot one of the feathered birds in self-defense. Although he oiled his fishing paraphernalia thoroughly at the close of the season last year, he has had it out twice in the last few weeks to make sure the set is properly oiled and that no pieces are missing. Dick Graham, Ed Love and Lee Cander are reported having a new fishing boat, which is being elaborately wheeled vehicle that will carry them to all the choice fishing locations.

Neely Swartout, Andy Wells and August Swanson are all planning on building water wagons. Neely states that as yet has not decided what ratio the gearing should be. August has a marine motor at his shop and states the hum of the motor is music to his ears. Jackie Dool, Cap Rael, Ed Valentine, Bill Cabern and Dutch Greer are also reported as having the fever. All are anxiously awaiting the day when "Jap" Beard will take his car off the jacks and inflate the tires, for then they will know the gain days are about to commence.

CONDEMN JAZZ, DANCE, MOVIES

(Special Correspondence.) Albany, March 7.—A large congregation assembled at the Methodist church Sunday night to hear Shepherd Garretson, field man of the welfare bureau of Illinois, sing and speak. The 30-minute program of sacred songs was very much enjoyed. Mr. Garretson was in light opera for a number of years. His address was to the effect that crime, insanity, feeble mindedness and taxes are increasing. He also condemned the modern dance. His suggested remedy for wholesale evil was to elect men to the legislature who would enact new laws and see that they were enforced. A collection was taken to defray expenses.

CITY COUNCIL AT GENESEO IN SPECIAL MEET

Judges and Clerks for Coming Election Named—Shaw Gives Report of Gas Rate Hearing.

Geneseo, March 7.—The city council met in special session last night upon the call of Mayor Charles G. Davis. Judges and clerks for the coming city election were appointed for the four wards of the city.

In a discussion regarding water main extensions it was decided to authorize the waterworks committee to investigate fully and report at the regular meeting next Tuesday. Many of these petitions have been passed upon and the work is now being authorized. There is to be an increase in the cost of water mains and it is proposed to buy before this goes into effect. It is also thought advisable to push this work rapidly in order to give employment to as many men as possible.

City Attorney Joseph L. Shaw reported to the council regarding his recent trip to Springfield, where he represented the city of Geneseo in a hearing of gas rates before the commerce commission. It seems to be the conception of opinion of this committee that both Geneseo and Morrison are towns too small to support a plant, economical of service, with customary low rates. The rates which the Illinois Northern Utilities is asking in Geneseo is \$2.10 per thousand cubic feet, with a net discount of \$2. The present price is \$1.80 with a \$1.70 net. President indications point to the necessity of the city of Geneseo reaching an agreement with the Utilities company or accepting a rate fixed by the Illinois commerce commission, which Geneseo is extremely anxious to avoid. The operation proved to be of a serious nature, but it is reported that she is making satisfactory recovery.

IS OPERATED ON.

Geneseo, Ill., March 7.—Mrs. Frank Cherry of North Adams Street was operated on at the Hammond hospital this morning. The operation proved to be of a serious nature, but it is reported that she is making satisfactory recovery.
